### Liquor Laws and Policies

All persons consuming alcoholic beverages in any area of the hotel must be 21 years of age or over. The hotel and its management reserves the right to terminate liquor service at a function at any time, for any reason without refund. Minors consuming alcoholic beverages or those consuming beverages becoming inebriated will not be tolerated and would necessitate the suspension of liquor service without any refund. The Illinois State Liquor Commission regulates the sale and service of alcoholic beverages. The Hampton Inn & Suites-Aurora, as a licensee, is responsible for the administration of these regulations. It is a policy, therefore, that liquor cannot be brought into the hotel from outside sources for functions in our banquet and/or meeting & conference facilities. Further no one other than hotel staff and its vendors will be allowed to serve alcoholic beverages at all functions.
